Hi Aaron,

CPC has a few things on the agenda. Most importantly for us is Item 5 – the allocation of projects in the 2024 Bond. Embarcadero is identified for $14M from the downtown program ($10M) and active rec ($4M) in Item 5. Here's the link to the presentation for project allocations.

Also on the agenda is the first bond sale and master authorization to issue debt for the Bond. The first Bond Sale does not include any funding for the $41M for the downtown projects or the $5M for the active recreation projects along with other elements in the Bond. We will be able to line up a subsequent sale to ensure that funds are available for construction. The current thinking is that the next Bond sale may be late this year to have funds available in spring of next year.

Can you and Robbie attend the meeting? It will be helpful to have you two there to speak on behalf of the allocation. I don't think anyone else is needed.

Thanks,
Stacy

I just reviewed the upcoming agenda. Are we on it for our allocation, or will that happen later in the summer?
